Dear Parents and Carers

I am writing to you following our fantastic Year 7 trips to Clare Library and the Harris and Harris bookshop. I would like to commend all Year 7 students for their behaviour and attitude.

During these trips, students were introduced to what they can access at their local library. I wanted to further reiterate this to you all to help and support with reading at home.

If a student has a library card, they can log into their account at suffolklibraries.co.uk and access the following:

- Borrow any books from the Suffolk library catalogue. These can be ordered from any Suffolk library and delivered to your local library.
- Receive free audiobooks through the apps: Borrowbox and Libby. Download the app using your library card number and you can access thousands of audio books that you download to your phone or any other device.
- Borrow CDS or DVDs.
- Freegal Music, a free music streaming service.
- Free log in to Encyclopaedia Britannica.
- Access a wealth of magazines and newspapers.
- 3D printing and other computer printing.
- Lego Club at Clare library every Saturday 10:30-12:00.

Your support in ensuring your child reads regularly at home is vital in helping them progress within school and it very much appreciated by us.

If your child did not submit the form for receiving a library card, the form can be located online, or you can go into any library and sign up with a parent or guardian. Please let me know if you have any further questions (lsavage@stourvalley.org).

Yours faithfully

Miss L Savage
