

25 June 2025

Dear Parents and Carers

Your child has been offered a place to attend this year's Youth Climate Conference. As a requirement, please complete the consent slip below to confirm your child's attendance.

The Conference will be held at Suffolk One College in Ipswich, from 9:00am until 3:00pm on Wednesday 2 July. We will be travelling by the school minibus departing promptly at 8:15am and we aim to return at 4:00pm. Therefore, arrangements will need to be made to collect your child from Stour Valley at this time.

The students will be able to wear appropriate non-uniform as we are attending a sixth form college, and I suggest they come prepared with a packed lunch and drinks for the day.

The Youth Climate Conference is the main environmental event for Suffolk and will be attended by several well-known environmental groups and individuals. The keynote speaker this year is Steve Backshall and I am happy to say that we have won a competition to have a meet-and-greet with him during the conference. Students will have the opportunity to listen to well-known and inspirational environmental champions. They will also attend student workshops where they will learn new skills and have a chance to meet other likeminded students.

I am looking forward to an exciting day and hope your child will feel inspired by the experience.

Yours faithfully

Zoe Milburn
