Headteacher Mrs Rachel Kelly BA (Hons)

10 November 2023

Dear Parent/Carer

As I am sure you are aware, your child is a member of the CEC (Climate Emergency Committee) at Stour Valley. The CEC work on various small and bigger projects, with the aim of reaching the school's net zero goals.

On Tuesday 21 November, we will be planting saplings, which will be our sixth session of tree planting in four years. We will start on the school grounds at 11am, followed by a planting session near the Priory in Clare, where we are trying to establish a wood. Both plantings will involve local group TASC and the team from Clare Castle Country Park.

The session will run approximately from 11am-1pm and your child has expressed their willingness to take part. If you agree to your child's participation, please give your permission on the below slip and ask you child to return it to me.

Your child should attend school in their usual school uniform. They should also bring suitable outer layers such as a warm coat and appropriate footwear as we are likely to get muddy. Students may also wish to bring gloves, hat and a scarf.

Should you have any enquiries, please email kchappell@stourvalley.org

Your faithfully

Ms K Chappell
Head of Psychology, Sustainability Lead, Teacher of French
