Headteacher Mrs Rachel Kelly BA (Hons)

Dear Parent/Carer

24 April 2023

Your child has expressed interest in the following extracurricular opportunity:

Destination: West Suffolk College - Photography Darkroom Workshop

Date & Time: Tuesday 16 May, 9:45am-4pm

A Photography tutor from West Suffolk College will be leading the course, teaching the students how to use a darkroom and develop their own photographic images. Students can use any of the work they produce in their coursework units to enhance their GCSE grade. Students who confirm a place, will not be required to attend school on this day, however, they will need to have transport arrangements in place to make their own way to the college. On arrival, students are required to meet Mrs Mayes at the college entrance at 9:45am.

Attendees will require collection at 4pm from West Suffolk College when the workshop has finished. Please ensure your child has suitable transport before reserving their place on the course. Spaces are limited and will be issued to GCSE students on a 'first come first served basis'. Please complete the reply slip below and return to Mrs Mayes as soon as possible.

May I suggest that you provide your child with a packed lunch, drink(s) and their sketchbook. Students will be required to wear appropriate and sensible clothing/footwear.

Please do not hesitate to contact me if you have any enquiries at: lmayes@stourvalley.org

Yours faithfully

Mrs L Mayes - Subject Leader of Art and Photography

✂.....

West Suffolk College Photography Darkroom Workshop – Tuesday 16 May 2023. Please return this form to Mrs Mayes as soon as possible

Student Name: Tutor Group:

I would like to reserve a place on the above trip for my child. I confirm that transport arrangements will be made for the day as requested.
