Headteacher Mrs Rachel Kelly BA (Hons)

30 June 2023

Dear Parent/Carer

I am writing to inform you of two cost implications for September in relation to the GCSE Geography course.

The first of these is one of two fieldwork opportunities that we are required to run as part of the GCSE Geography course. This will allow the students to experience data collection methods and geographical processes firsthand.

Details as follows:

Destination: Walton-on-the-Naze

Date: Tuesday 19 September 2023

Time: 8:15pm – 5pm (approx)

The cost of this trip will be £26 per student, which will include transport, use of an inside base to cover theory, all resources and equipment used on the day and the knowledge of local experts.

The second cost implication is the Geography GCSE revision guide. The cost of this is £5.50 and is excellent value, linking specifically to the GCSE course and giving students a clear method of revision.

The turnaround time for contributions will be short, as we are unable to upload both payment options to ParentPay until September. Therefore, I will update you at the start of Autumn term to confirm contribution deadlines and arrangements for the fieldwork day.

Yours faithfully

Mr J Craig
Head of Humanities
