

Clare Swimming Club @ SVCS

We need you for 2021!

Since 2009, Clare Swimming Club has worked alongside SVCS to open it's outdoor pool to the local community for 4 weeks during the school holidays. With qualified lifeguards in attendance, the pool offers a lifeline for affordable & local swimming during the long summer break.

In 2021, the pool will be open from Monday July 19th - Friday August 13th. Swim sessions are from 10am-1pm & 2pm-5pm and cost £2 per person.

The pool is run by volunteers – not for profit. To open, we need one volunteer per session to sit by the gate and manage pool numbers. It's easy to do and very sociable. If you have a couple of hours free this summer, we'd really appreciate your help in keeping the pool running. **Please check out the volunteer's calendar on our Facebook site to sign-up or get further information.**

www.facebook.com/clareswimmingpool

Please do not volunteer if you have young children to supervise in the pool
