In response to discussions we've had in school this week due to Women's History Month Assemblies, our older students watching the 'Adolescence' series and Gareth Southgate's Richard Dimbleby lecture, we have decided to takeover the next PSHE sessions of Years 8-11 to discuss these issues.

Resources we are using will be based on the lecture: [The Richard Dimbleby Lecture - Sir Gareth Southgate - BBC iPlayer](#) as well as recent and current news stories. Our resources do not directly mention any specific online influencers, but instead signpost to people who can help.
