Dear Parent/Carer

As you are aware, your child has been offered a place to attend Suffolk's first ever Youth Climate Conference and I would like to thank you for returning the paperwork to the venue. As required for the school, I must now also seek your consent for your child to attend and would therefore ask that you please complete the slip below to confirm your child's attendance.

The conference will be held at West Suffolk College, from 9:30am-2:30pm on Wednesday 5 July. We will travel via the school minibus and our aim is to return in time for buses/usual transport home at 3pm. However, you may wish to plan your own transport to allow for any traffic delays.

We know that a BBC presenter will be this year's guest speaker and that the day will include a Green Careers fair, sessions on biodiversity, activism, the climate emergency in Suffolk, eco-anxiety and how to talk about climate change. Going forward, the intention is for this to be a yearly event, bringing together experts and the greenest-minded secondary school students, with 150 delegates expected on the day.

I look forward to an exciting day out and hope your child will feel inspired by the experience.

Yours faithfully

Ms K Chappell
