Dear Year 10 Parent/Carer

Stour Valley Community School would like to offer your child the opportunity to participate in a STEM (Science, Technology, Engineering and Maths) visit as follows:

**DESTINATION:** Science Live in Cambridge  
**DATE:** Wednesday 7 February 2024  
**TRAVEL:** Via coach and minibus

The Science Live trip gives the students the opportunity to hear and meet Britain’s top scientists, where they will be sharing their research to promote an enthusiasm for Science. In addition, there will be a lecture delivered by an experienced Science examiner where top tips and guidance will be given to help students in their future exams.

We will be departing SVCS at 9:00am and returning at approximately 4:15pm. Please be aware that students will make contact via their mobiles on the homeward journey, to provide you with an estimated time of arrival for **their collection from SVCS**. Students will need to bring a packed lunch and drinks for the day and students will be expected to be wearing full school uniform.

The cost of this trip is £35 per student and includes transport to and from the venue. Payments, made as voluntary contributions need to be made through your ParentPay account. Unfortunately, if there are not enough contributions received, the visit may be cancelled. Payment is required via ParentPay by **Friday 1 December 2023**. Should you have any enquiries regarding the payment and would like your child to attend, please email the Finance Office at [skemp@stourvalley.org](mailto:skemp@stourvalley.org)

Please complete and **return the attached reply slip to Mr Morris by Friday 17 November**, to allow me to ascertain if the trip is viable.

Yours faithfully,

Mr Morris
