

17 November 2025

Dear Parents and Carers

I am writing to let you know that your child has been selected by the English Department to attend a rewards trip on Wednesday 26 November. Your child has been nominated by their English teacher to recognise their strong performance, as well as their enthusiasm and commitment to the subject.

To reward their hard work, we will take the students to go and see *How to Train a Dragon* at the Halstead Empire as part of the *Into Film* festival. This trip will be during school hours. We will leave at 9am and return at around 12.30pm approx.

This is a free event, however, if students would like to bring a little money, they can purchase any sweets or popcorn.

I would like to reiterate how pleased we are with your child's efforts and dedication and look forward to everything they achieve in English in the future.

Please contact me with any questions at: [igill@stourvalley.org](mailto:igill@stourvalley.org)

Yours faithfully

Isobel Gill  
Head of English
