Re: Year 7 Jimmy's Farm Visit 2025

The Science department is provisionally planning a trip to *Jimmy's Farm*, Ipswich, on Friday 27 June 2025.

The trip will finalise a topic that Year 7 will have been learning about (ecosystems and organisms) and will give students the opportunity to learn more about the organisms they have been studying and the impact of humans on ecosystems.

The cost is approximately £20, however, please be aware the actual cost may vary depending on the numbers interested, and this will be confirmed before payment is required.

The usual high SVCS standards of behaviour are expected leading up to and on this trip, and any student who fails to meet these expectations, risks being removed from the excursion and will be dealt with in line with the school's Behaviour Policy.

If you are interested in your child attending this trip, could you please email me at hsedge@stourvalley.org so, I can determine the level of interest and see if the trip is viable.

Yours faithfully

Mrs H Sedge
Second in Science
