

14 November 2025

Dear Parents and Carers

I am writing to let you know that your child has been selected by the English Department to attend a rewards trip on Thursday 20 November. Your child has been nominated by their English teacher to recognise their strong performance, as well as their enthusiasm and commitment to the subject.

To reward their hard work, we will take the students to go and see *How to Train a Dragon* at the Halstead Empire as part of the *Into Film* festival. This trip will be during school hours. We will leave at around 9am and return at around 1pm.

This is a free event, however, if students would like to bring a little money, they can purchase any sweets or popcorn.

I would like to reiterate how pleased we are with your child's efforts and dedication and look forward to everything they achieve in English in the future.

Please contact me with any questions at: igill@stourvalley.org

Yours faithfully

Isobel Gill
Head of English
