Dear Parent/Carer

Stour Valley Community School would like to offer your child the opportunity to participate in a Science visit as follows:

Destination: Suez Recycling Centre
Date: Tuesday 19 March
Travel: Via minibus

The cost of this trip is £10 per student and includes transport, a Physics workshop and entry to the theme park. We will be departing SVCS at 9am and returning at approximately 1pm to maximise the time students have at the venue. Students will need to bring a packed lunch and drinks (non-fizzy) for the day. School uniform is not required, however, due to the nature of the day's activities, students should dress accordingly, and should **not** wear shorts, shirts or dresses, sandals, flip flops, sliders ballet pumps or heeled shoes - trainers or walking boots are required as a large part of the day will be standing, walking, and climbing steps. Any student who is not suitably dressed will not be able to attend and will be required to spend the day following their normal timetable.

Students will be required to wear Personal Protection Equipment, such as hearing protectors, helmets, high vis and eye protection etc. If the student will not/cannot wear any such items, then it will not be possible for them to attend.

Payments, made as voluntary contributions, need to be made via your ParentPay account. Unfortunately, if there are not enough contributions received, the visit may be cancelled. Payment is required via ParentPay by Friday 1 March. Should you have any enquiries regarding the payment and would like your child to attend, please email the Finance Office at: skemp@stourvalley.org

Please complete and return the attached reply slip to Reception by Friday 1 March, to allow me to ascertain if the trip is viable.

Yours faithfully
