Headteacher Mrs Rachel Kelly BA (Hons)

9 June 2023

Dear Parent/Carer

Stour Valley Community School would like to offer your child the opportunity to participate in a Science trip detailed below:

**DESTINATION:** Suez Recycling Centre  
**DATE:** Thursday 29 June  
**TRAVEL:** Via minibus

There is no cost for this trip. We will be departing SVCS at 8:45am and returning at approximately 2:45pm, in time to use their normal transport home.

Students will need to bring a packed lunch and drinks (non-fizzy) for the day. School uniform is not required, however, due to the nature of the day's activities, students should dress appropriately, please note that full length trousers with trainers or walking boots are required as a large part of the day will be standing, walking, and climbing steps. Students are advised not to wear *shorts, shirts or dresses, sandals, flip flops, sliders, ballet pumps or heeled shoes*. Please note that any student who is not suitably dressed will not be able to attend and will have to spend the day following their timetable in school.

In order to attend, students will also be required to wear personal protection equipment, such as hearing protectors, helmets, high vis and eye protection to name a few items.

We are expecting the usual high SVCS standards of behaviour leading up to and on this trip and any student who fails to meet these expectations risks being removed from the trip and will be dealt with in line with the school's Behaviour Policy.

Please email me direct to confirm consent if you wish your child to attend this trip:  
[knorris@stourvalley.org](mailto:knorris@stourvalley.org)

Yours faithfully

Mrs Norris – Teacher of Science
