'Careers in...'	HISTORY
-----------------	----------------

History creates opportunities in many careers, specifically:

- Journalism
- Archaeology
- Law
- Heritage organisations
- Government
- Media

In addition to this, it provides transferable skills such as:

- ✓ Reaching considered judgements
- ✓ Learning about people – how they interact, the motives and emotions
- ✓ Learning about countries, societies and cultures – so many of today's conflicts and alliances have their roots in the past
- ✓ Learning to locate and sift facts – to identify truth and recognise myth, propaganda and downright lies
- ✓ Presenting what you've learned in a way that makes sense to others – whether in graphs, essays or illustrated reports – and having the confidence to defend your findings.
