Purple Day

We would like to thank the school community for celebrating Purple Day with us in memory of Haydn Restarick. It was great to see all the purple outfits and accessories, and we are so grateful for your generous donations for Addenbrookes hospital, thank you.

Governor Vacancies

Governors are a team of volunteers who oversee the management of the school by supportively challenging the Headteacher and staff. We do this by visiting the school, speaking to staff, students and parents/carers, and meeting formally with the senior management team on a regular basis. The core aims of governance are:

- Ensuring clarity of vision, ethos and strategic direction.
- Holding executive leaders to account for the educational performance of the school and its students, and the effective and efficient performance management of staff.
- Overseeing the financial performance of the school and making sure its money is well spent.

No experience is required - just a healthy curiosity and a willingness to ask questions in order to ensure our students and staff maximise their potential. You don't need to be a teacher or know about education; in fact, you probably have many skills from your own life and work which would be invaluable.

The amount of time you would need to commit depends on your willingness to get involved, but there would be a minimum expectation of attendance at three Local Governing Body meetings per year and arranging to visit the school once per term to carry out monitoring activities.

We currently have vacancies for governors so, if you would like to join the team of people responsible for oversight of many aspects of the school, or would like to find out more about what it means to be a governor, please contact Nick Vosper, Chair of Governors at SVCS at governors@stourvalley.org

Contacting the School

Your child's form tutor should be your first point of contact for any concerns or issues. They will be able to deal with your enquiry or will pass it on to the most appropriate member of staff who may contact you. If the matter is directly related to a specific subject, the subject teacher or head of department is the best contact. All staff email addresses are on the website (a link here): [Staff Contacts - Stour Valley Community School](#)

If you call the school, you will appreciate that staff also have teaching commitments which means they may not always be available to take your call immediately. Also, please do not turn up at the school expecting to see a member of staff without a prior appointment.

Thank you for your continued support and understanding.

Use of Mobile Phones

As a polite reminder, students are not allowed to use their mobile phones during the school day. If they are feeling unwell or need to contact home, they must visit reception. Likewise, if you could please contact reception if you have any messages you would like to be passed on.
