IT'S CHRISTMAS AT SVCS!

A Heartfelt Thank You to Our Wonderful Supporters.

We are delighted to share our gratitude with the whole Stour Valley community. This year, our Heart Space is glowing with the warmth and magic of a beautiful Christmas tree – a gift made possible through the generosity of Doreward Marble and Granite, Sudbury Car Sales, and Norris & Co. Plumbing and Heating. Their kind donations have brought festive joy to every pupil and member of staff, and we are truly thankful. As each of these families has children in our school, it felt only right that they joined us in decorating the tree. Their enthusiasm and community spirit made the occasion even more special.

A last appreciative thank you to Mr. Pearson, Mr. Wickham, Mr. Beetles, and Mr. Norris. Their donations, generosity, and support helped us create something that Stour Valley can enjoy not just this year, but for many years to come.

Thank you all for helping make our school shine a little brighter this festive season.
