Thank you to the School Community

We would like to thank everyone within our school community for the support that has been given and expressed in so many ways in response to the death of Harley Barfield last week. It was, and remains, such a shocking event that has changed our school community and the lives of so many people. It has been heartening to see how everyone has already been supporting each other during this time. Having spoken to some health professionals in the past week we would like to share some thoughts and support resources that might be useful. These are available on our school website here: <https://www.stourvalleycommunityschool.org/svcs-wellbeing/particular-concerns/bereavement-and-loss> In addition there are

If you would like further information about available support, please do not hesitate to contact us, the school nurses or your GP.

Parent Feedback Welcomed

As part of our ongoing Quality Assurance, we would like to invite parents/carers to complete a survey on your child's experience in specific subjects in school. This half term, we are focussing on Maths.

It would be helpful if you could discuss questions with your child whilst completing the survey, which of course, remains anonymous. To access the survey on a computer or mobile, please click on the link below. We would appreciate it if surveys could be completed by no later than Friday 3 February.
