NEWS & NOTICES

Message from the Headteacher

I am pleased to report that we now appear to be over the worst of the respiratory, flu-like illness that affected a significant number of pupils and staff towards the end of last week and earlier this week. Attendance is returning to normal and usual service is being resumed. We would like to thank you for your support.

Finally, we would be grateful if you could check that your child is fully equipped for school each day. All pupils should have a named pencil case containing:

- A ruler
- A minimum of two HB pencils
- A minimum of two black or blue biro pens
- A pencil sharpener and an eraser
- A glue stick
- A scientific calculator
- A reading book

Having the correct equipment helps pupils to be organised and ready to learn. Thank you, as always, for your ongoing support.

Kind regards,

Mrs R Kelly
Headteacher
