As many of our students are beginners it may be worth checking the In Diretta da Artesina 1400 webcam at <http://www.artesina.it/page.asp?pg=webcam>. This camera appears to show the nursery slopes and we believe that this is where we are due to meet our instructors every morning at 8am UK time (first day of skiing will be Monday).

Green Day 2023

Green Day is on Friday 24 March. The Climate Emergency Committee would welcome donations of green items (in colour or eco-friendliness - or both!) for our Graffle. Please leave any donations at reception c/o Sarah Kemp and marked 'Graffle'. Thank you! On the 24 March, we would also be thrilled if as many students as possible bring in baked goods for the biggest cake sale ever! Thank you from the CEC.

English Vocabulary

Supporting your child's English vocabulary development - take part in a survey from Oxford

Are you a parent or caregiver of a child between the ages of 5 and 16? If so, please take part in a survey by Oxford University Press on 'Supporting your child's English vocabulary development'. Your input will inform a new Oxford report as well as the development of new English language resources for use in the home. It will only take 10 minutes to complete and you will receive a free pdf download of children's vocabulary-building activities from Oxford. The survey closes at the end of February.

Click on the link to take the survey:

Many thanks for your input into this research should you decide to take part.

Student Water Bottles

May we kindly remind parents/carers to ensure their child(ren) has a non-glass water bottle for each school day. Many students are visiting reception requesting paper cups for water. They are thirsty and or have developed a headache due to not having regular drinks throughout the day. Thank you for your support in this matter.
