Summer is Here

We would like to thank students and parents/carers for another fantastic school year. We hope you all have a happy and relaxing summer break and we look forward to seeing students again in September!

Important Message from Suffolk County Council

We have been advised by Suffolk County Council (Transport Department) that changes to your child's bus service or route may still happen at short notice during the summer, so as a precaution may we please request that during August you check the Suffolk County Council's website for amendments to timetables and check operator details – please do not assume that your child will be allocated the same service in September: www.suffolkonboard.com

May we also take this opportunity to remind you of the following message which was sent at the end of June:

*Suffolk County Council Passenger Transport Service has asked us to remind all existing school transport users that they will need to **opt back in to receive free school transport from September 2023 - it will not automatically be renewed.** You will need to visit the Suffolk On Board website, click on 'Opt-in (apply)' and follow the instructions. If you have any queries please contact Suffolk On Board directly 0345 606 6173 or via their website <https://www.suffolkonboard.com/school-travel/>*

All details will be available to view on the above website before the start of the new term in September.

It is essential that every student travels on the correct route as per their renewed pass.
