

PARENT CARER BULLETIN

Week Commencing 20 April 2026

Year 7 Level 3 Bikeability Course

Year 7 have the fantastic opportunity to complete the Level 3 Bikeability course:

The course is aimed at developing cycling and the skills needed to stay safe in challenging urban situations. The course will run in groups of 3, cycling in around the local area in course. It is a one-off session for 3-4 hours. Your child will need to bring their own bike and a helmet in order to participate in this. There is an initial sign-up sheet in Mrs Jamieson's office in the Heart space should your child be interested in participating. Once we have a level of interest we will share more information.

Uniform donations

We are always grateful for donations of second-hand school uniform.

These help us support families within our school community. If you have any items your child has outgrown, please consider donating them via the school office. Thank you for your continued support.

Our school and Governors would like to set up a Parent Teacher and Friends Association, as a friendly community group, working towards enhancing our children's educational environment and access to the many curricular and extra-curricular activities we have always been proud to offer

If you are interested in being part of our group, we are looking forward to hearing from you. A first meeting will be held at the end of April, date to be confirmed. Please contact Mrs Brown at: abrown@stourvalley.org.
