Year 9- The Joe Dix Foundation Assembly Visit

Empowering Young People to Stay Safe:

We were incredibly privileged this Thursday to welcome the Joe Dix Foundation to lead our Year 9 assembly. They discussed the dangers and signs of exploitation. We are fortunate to now have a brand-new bleed kit, not only for our school, but for the local community to use in the event of emergencies.

The Joe Dix Foundation commented:

“we presented to an extremely attentive Year 9 group, excellent behaviour from the whole year group was shown. Your school should be very proud of you. We hope you learnt how to keep yourselves safe and make the correct choices.”

Working together to enrich school life for every child:
Our school and Governors would like to set up a Parent Teacher and Friends Association, as a friendly community group, working towards enhancing our children's educational environment and access to the many curricular and extra-curricular activities we have always been proud to offer. If you are interested in being part of our group, we are looking forward to hearing from you. A first meeting will be held at the end of April, date to be confirmed. Please contact Mrs Brown at: abrown@stourvalley.org.
