Dear Parents and Carers

On Wednesday 8 May, St Giles Trust SOS+ service will be coming into school to deliver assemblies to Year 7, 8, 9 and 10. The topic is County Lines and exploitation.

St Giles Trust is a charity who use trained staff with real-life past experiences to deliver educational sessions in schools. You will find more information here, on their website, about the assemblies they deliver:

The subject areas covered may be emotive for some of the students. We will pick up these themes in tutor time and/or PSHE lessons as a follow-up. We would encourage you to discuss the content of these assemblies with your child.

We are really excited to welcome St Giles Trust into our school, and we hope that these sessions will be engaging and educational for our students.

Yours faithfully
