Headteacher Mrs Rachel Kelly BA (Hons)

24 January 2025

Dear Parents and Carers

As part of the Health and Social Care course, we would like to update you regarding the course. We are now in the position where we will be starting the coursework during lessons which makes up 60% of the final grade.

As part of the coursework students will need to interview someone they know that has experienced life events. The participant does not have to be family but ideally will be someone they know. The interview may include topics such as bereavement, parenthood, accident/injury, redundancy, ill health or marriage. Without this interview, along with the responses, your child cannot complete their coursework - meaning that at best they can only achieve 20/60 marks, this would result in a failure for the unit. It is imperative that they complete the interview, therefore, we wanted to bring to your attention some of the topics they may cover. There will be reminders to only interview participants who are happy and willing to share information.

Over the coming weeks we will be completing the work in class so attendance to all lessons will help achieve the best possible results. The coursework cannot be completed outside of lesson time so attendance will be vital over the coming term.

I would like to thank you for your continued support.

Yours faithfully

Mrs A Jamieson
Assistant Headteacher
