Headteacher Mrs Rachel Kelly BA (Hons)

25 March 2024

Dear Parent/Carer

We write with regards to work experience which is taking place between Monday 1 and Friday 12 July 2024. We have had many great discussions with students over the last few weeks about the exciting opportunities that they are looking into, and we are pleased to hear that many have now secured placements.

Once your child has arranged a placement, they need to enter the relevant details via the ConnectEd app or the Morrisby website ([Careers Advice & Guidance Online Platform - Morrisby](#)). All students will have emails with login details including the QR code for the app. Once the placement has been created the students will not need to do anything further at this point. All risk assessments will be processed through the system, and we will liaise with employers on these.

We would ask that placements are entered into the system by 8am on Monday 6 May in order to allow time to make the necessary arrangements with employers. Should your child need support with entering their placement or want advice on placements, we are available in school and will happily help.

Yours faithfully

Mr N Sims
Assistant Headteacher

Mr S Mansfield
Year 10 Leader
