Headteacher Mrs Rachel Kelly BA (Hons)

Dear Parent/Carer

6 November 2023

As part of the support provided for your child to reach at least their target grade in their upcoming GCSE Geography exam the department is offering targeted support to help them achieve.

Your child has already been offered a one-to-one meeting with their subject teacher to discuss their end of Year 10 exam result and to make plans going forward. In addition to this, students are completing homework assignments using SENECA learning, alternating with exam questions, which are then marked in class with direct feedback. These tasks cover content learned during Year 10 and content that is currently being covered. In addition, they have also had the opportunity to purchase a revision guide.

The next element of support is to provide targeted intervention sessions to focus on specific aspects of the GCSE course, this term the intervention takes the form of sessions focused on either 2, 3, or 4-mark questions and knowledge or 4, and 8-mark questions.

These sessions will be running on the following days and times:

Session	Day	Time	Staff / location
2,3,4-mark questions and content	Wednesday	3pm – 4:15pm (Period 6)	Mr Craig H4
4, 8-mark questions and content	Monday	3pm – 4:15pm (Period 6)	Mr Chapman H3

If there is an issue with the above dates and times, there is the possibility to make other arrangements in consultation with the staff member leading the session.

We very much hope that your child will attend these sessions regularly to ensure they secure the best possible grade.

Should you have any enquiries please contact either:

Mr Craig: jcraig@stourvalley.org

Mr Chapman: pchapman@stourvalley.org

Thank you for your continued support.

Yours faithfully

Mr Craig - Head of Humanities/Head of Geography
