Dear Parents/Carers

I am writing to you following our fantastic Year 7 trips to Clare Library and the Harris and Harris bookshop. I would like to commend all Year 7 students for their behaviour and attitude. During these trips, students were introduced to what they can access at their local library. I wanted to further reiterate this to you all to help and support with reading at home. If a student has a library card, they can log into their account at [suffolklibraries.co.uk](http://suffolklibraries.co.uk) and access the following:

- Borrow any books from the Suffolk library catalogue. These can be ordered from any Suffolk library and delivered to your local library
- Receive free audiobooks through the apps: Borrowbox and Libby. Download the app using your library card number and you can access thousands of audio books that you can download to your phone or any other device
- Borrow CDS or DVDs
- Freegal Music, a free music streaming service
- Free log in to Encyclopaedia Britannica
- Access a wealth of magazines and newspapers
- 3D printing and other computer printing
- Lego Club at Clare library every Saturday 10:30am-12:00pm

If your child did not submit the form for receiving a library card, the form can be located online, or you can go into any library and sign up with a parent or guardian. Please let me know if you have any further questions at: [igill@stourvalley.org](mailto:igill@stourvalley.org)

Yours faithfully

Isobel Gill
