

## Stour Valley Community School

12 June 2020

Dear Parents and Carers

I hope that this email finds you well.

My communication is fairly short this week, with the main focus being checking that your child is now accessing and completing all their schoolwork through Microsoft Teams.

If there are any problems, please do not hesitate to contact **itsupport@stourvalley.org** or email your child's tutor.

Teachers are available and will respond to queries via Teams and email during school hours. Our reception is also open during school hours for any queries on 01787 279342.

With kind regards

Rachel Kelly  
Headteacher
