Headteacher: Mrs Rachel Kelly BA (Hons)

19 March 2021

Dear Parents and Carers

Not much to write this week – all students have been back full time and it's great that the school is buzzing with activity once again.

We have now completed the three supervised LFD COVID-19 tests in school and I am pleased to report that all were negative – approximately 2000 tests for staff and students in the last few weeks. An enormous thank you to the volunteers who made the set-up and running of the test centre possible. We ask that you ensure your child now tests twice a week at home and you have had details about how to register their result with the NHS and with us. We will provide the tests and we would ask that you also continue twice a week testing through the Easter holidays.

Today was a non-uniform day to raise money for Comic Relief and we have raised £496.10 - thank you for your support.

The school will close at 3pm next Friday, 26th March, for the two-week Easter break.

With kind regards

Rachel Kelly
Headteacher
